

CONTROLLED MAGNETICS WARRANTY POLICY

Controlled Magnetics Incorporation warrants to the original purchaser to correct by repair, replacement or refund of original purchase price, at Controlled Magnetics option, that may fail in service within the applicable period as set forth below, from the date of manufacture provided however, that conditions of operation have been normal at all times, and that the equipment has not been subjected to abnormal stress from such causes as incorrect primary voltages or frequency, improper ventilation or improper use. This warranty is made on the condition that prompt notice of defect is given to Controlled Magnetics in writing within warranty period, and that Controlled Magnetics inspection reveals to its satisfaction that the original purchaser's claim is valid under the terms of this warranty.

Controlled Magnetics obligation under this warranty, which is in lieu of all other warranties, express or implied warranty, including the implied warranty of fitness for a particular purpose and merchantability, is limited to replacing or repairing defective products or parts, free of charge, provided they are returned to the factory, or refund of original purchase price, at Controlled Magnetics option. However, purchased components including but not limited to capacitors, circuit breakers, terminal blocks and fuses shall not be covered under this warranty. Repairs or replacement deliveries shall not interrupt or prolong the term of this warranty. Controlled Magnetics will not be liable for any special, indirect, consequential or incidental damages, including without limitation, from loss of use, data, function or profits deriving out of or in connection with the use or performance of the product and shall have no liability for payment of any other damages whether in an action of contract, strict liability or tort. The remedy provided herein states Controlled Magnetics Incorporation's entire liability and buyer's sole and exclusive remedy here under.
